Richard,  
I just booked my flights. I will be up there around 8am and my return flight is at 4pm. If we are out of there by 1:30pm I shouldn't have any problems with my flights barring anything problems that the airlines may have.  
Lora

Doug,

Lora can make it that day, but requested the meeting begin at 1100 or later. How long do you anticipate the meeting will last?

VR,  
Richard

Hi Richard

It was on my list to send out a note this week with an invite for June 22 at 10:30 as that seemed to be the preferred date. Ed Hannon cannot make it on the 23rd and there is at least one other party that can't make the 16th, so we had been looking at the week of the 22nd as the preferred week.

Is it possible for Lora to make the 22? Would it help if we moved the start time later so that perhaps you all could travel up on the day of the meeting instead of the day before?

Doug

Doug,

Any update on a preferred date? I heard back from our RPM (Lora Fly) that 16th and 23rd are best for her. I would like to get a hotel booked as soon as a date is selected.

VR,  
Richard

Great.

And yes I did mean the 16th; the dates were listed in order of group preference (from those at the meeting this week).

I am also checking with Ed Hannon. He had previously indicated that his counsel may not let him participate since they are in litigation with Bethpage, but our attorneys don't think that should be a problem. Ed and I agreed to have our attorneys talk about this. In the meantime, I am suggesting that he block these dates if he is otherwise available.

Thanks for the prompt reply.

Doug

Doug,

It was nice talking to you this week as well.

Assuming you really mean June 16th (vice 26th) as the third option, I am available all three days. The 26th might be tough.

VR,  
Richard

Hi Richard

It was good speaking with you on Tuesday.

As I mentioned we would like to have you participate in the quarterly meetings DEC and EPA are having with the water districts (MWD, SFWD, BWD).

We have narrowed down a list of dates for the June meeting. You had mentioned that the week of June 8th was not good for you. Can you let me know whether you could make a meeting here in NYC on June 22, 23 or 16?

Thanks and have a great weekend.

Doug
